

TBLI CONFERENCE NORDIC 2015

June 15-16, 2015, Ovnhallen (The Kiln) - CBS, Porcelænsghaven 20, Copenhagen, Denmark

This second TBLI CONFERENCE focusing on the NORDIC region will be held in cooperation with Copenhagen Business School.

TBLI CONFERENCES offer a wealth of opportunity for networking with like-minded investors and new business partners. We invite you to share your ideas, challenges and solutions and to learn about innovation and investment opportunities. The program addresses topics relevant for investors and finance professionals striving to better align profits with impact - with a view across all asset classes.

We are looking forward to returning to Scandinavia for our second TBLI CONFERENCE NORDIC event, addressing specifically the financial sector in Scandinavia and the UK.

It will mark the 30th TBLI CONFERENCE held since 1998.

This year's event in Copenhagen is building on the learnings and discussion at TBLI CONFERENCES held in New York, Amsterdam, Zurich, Chicago, Singapore and Oslo over the past year.

We are looking forward to continuing the debate with the Nordic sustainable finance community!
